DOGS

There are so many kinds of dogs from all over the world. Big dogs, small dogs, strong dogs, hunting dogs, racing dogs, farm dogs, dogs with jobs and dogs that are pets. You can dress your dog, you can talk to your dog, you can watch T.V. with your dog, but dogs are also very important. They watch the house and bark when strangers come to the door. Feed your dog a well balanced diet, take it for as many walks as you can stand and your dog will be your best friend.

Your wish is our command. Did you wish for Aladdin on Game Gear™? 'Cause that's what you're getting. You've got the lamp, the magic carpet and Princess Jasmine. Things are good. In fact, the only thing that might worry you--just a little--is that the most powerful and twisted guy in Agrabah wishes you were dead. But you're Aladdin. Don't let it get to you. Have a good time. Visit the Sultan's Palace. Check out the Cave of Wonders. And most importantly, teach Jafar something about the business end of a scimitar.

Disney's Aladdin

Dodge flame bursts, burning lava and rocks on your magic carpet. In short--escape the Cave of Wonders before you become a shish kebab.

It's come to this. Good vs. Evil. You vs. Jafar. Seem like a fair fight? Well, he's got the lamp. Then again, you're Aladdin. You'll figure something out.

He's a cobra. A big cobra. And he's a little upset. Use that scimitar to let him know what's up. (It's the only thing he'll understand, trust us.)

EDITOR'S

NOTEBOOK

Dear Archie Readers,

There have been rumors circulating throughout the comic book industry, during the past year, about a top secret project known only as PROJECT "A". Why the cloak of secrecy? What could possibly be so dynamic, so unbelievable, that even the nosiest of the nosiest were unable to uncover the story behind PROJECT "A"? Well, aside from being nosy (as you can see by my picture), I know the secret of PROJECT "A", because I WAS THERE!

Yes, I was there in San Diego, California, one beautiful evening in April 1993. Along with three other comic book professionals, I was seated in a dimly lit restaurant munching on some delicious but messy spareribs. There amidst dirty napkins, bones and crumbs, PROJECT "A" was born. I had an idea to team up two of the most popular characters in comics. We would combine their unique abilities into a force that would send the fiercest super villains running for their mommies. But how? The answer came from Batton Lash, a writer I've known for many years. Now here's where you get your first hint. The plan was to come up with a story outline, cover sketches and a proposal to MARVEL COMICS (hint #1). We were all sworn to secrecy.

When I returned to New York, I sent the proposal to Marvel's Editor-in-Chief Tom DeFalco. Two weeks later, Tom called me. "This is great! Let's do it!" he said. And thus began PROJECT "A", which until now has been kept secret. So get ready for the most amazing, fabulous, "they said it couldn't be done" comic to ever hit the newsstands.....

ARCHIE MEETS THE PUNISHER will arrive at comic shops and newsstands June 14, 1994.
